

Panico, Romaine - Working Together for Downtown Center Moriches

posted on 4/9/2010 4:57:58 PM

Farmingville, NY - On April 5, 2010 Councilman Panico, Suffolk County Legislator Romaine and leaders from the Center Moriches Downtown Beautification Committee, The Chamber of Commerce of the Moriches and the Moriches Bay Civic Association worked together with representatives from various departments from the Town of Brookhaven on a walk through Main Street Center Moriches to establish the scope of work for the revitalization of downtown Center Moriches.

Councilman Panico, in concert with Legislator Romaine, secured funding that will allow this overdue project to come to realization. "This is the first active step, among many to follow, to secure new sidewalks, curbs and lighting for the good people of Center Moriches." Said Councilman Panico "This revitalization is long over due and I am pleased to be working with Suffolk County Legislator Ed Romaine to deliver this project."

"As a longtime resident, I am committed to the revitalization of Center Moriches' downtown." Said Suffolk County Legislator Ed Romaine "Councilman Panico has pledged his support for this valuable project and I will work with him to ensure it comes to fruition."
